

Fernox Water Treatment Chemicals

PROTECTOR F1 (500ml)

- Central Heating Protector for mixed-metal domestic central heating systems
- Protects against corrosion and limescale
- Prevents boiler noise
- Stops frequent venting of radiators
- Extends system life
- Prevents sticking pumps
- Saves on fuel bills
- Reduces maintenance costs
- Maintains system efficiency
- Prevents cold spots in radiators
- Non toxic, environmentally friendly

List Price

\$ 44.00

F1 EXPRESS (265ml)

- Quick and convenient – doses in 30 seconds
- Simple to use with no mess
- Add via a radiator adapter or filling loop supplied
- Protects against corrosion and limescale
- Non-toxic, environmentally friendly formulation
- 100% recyclable can
- Maintains system efficiency and extends boiler life
- Suitable for use with all metals and materials including aluminium

List Price

\$ 48.00

BOILER NOISE SILENCER F2 (500ml)

- Reduces boiler noise
- Improves heat transfer efficiency
- Compatible with all Fernox Protectors
- Non-toxic, environmentally friendly
- Can be left in the system permanently
- Compatible with all metals and materials commonly used in central heating systems

\$ 44.00

F2 EXPRESS (265ml)

- Quick and convenient – doses in 30 seconds
- Simple to use with no mess
- Radiator adapter or filling loop supplied
- Non-toxic, environmentally friendly formulation
- 100% recyclable can
- Reduces boiler noise and improves heat transfer efficiency
- Saves on fuel bills and reduces maintenance costs
- Compatible with all metals and materials including aluminium

\$ 48.00

SYSTEM CLEANER F3 (500ml)

- Neutral universal cleanser for pre-commissioning new systems in accordance with BS7593:2006.
- Removes sludge and scale and restores heating efficiency of existing systems
- Removes flux residues and other debris
- Compatible with all metals and materials commonly used in heating systems
- Easy to use system can be left running normally during cleansing
- Suitable for use with all known powerflushing machines
- Neutral, non-hazardous formula (COSHH rated zero)

\$ 44.00

CLEANER F5 EXPRESS (280ml)

- Quick, convenient and simple to use – doses in 30 seconds
- Added via a radiator adapter or filling loop supplied
- 100% recyclable can
- Compatible with all metals and materials including aluminium
- Removes sludge and scale and restores heating efficiency
- Removes flux residues and other debris
- Neutral, non-hazardous and environmentally formulation

\$ 48.00

LEAK SEALER F4 (500ml)

- Ideal for reducing pressure loss from sealed systems
- Seals most weeps and small inaccessible leaks
- Saves time and money on draining down and repairing
- Does not cause blockages of pump, air vents etc.
- Compatible with all metals and materials commonly used in central heating systems

\$ 44.00

F4 EXPRESS (265ml)

- Quick and convenient – doses in 30 seconds
- Simple to use with no mess
- Added via a radiator adapter or filling loop supplied
- Non-toxic, environmentally friendly formulation
- 100% recyclable can
- Seeks out and seals most weeps and leaks
- Saves time and money on draining down and repairing
- Does not cause blockages of pumps, air vents, etc.

\$ 48.00

ALPHI-11 MULTIMETAL GLYCOL (25L)

- Renders water non-corrosive to aluminium, stainless steel, cast iron, copper, steel and brass
- Combined antifreeze and protector
- Prevents limescale build-up
- Compatible with all metals commonly used in heating systems
- Maintains efficiency extending system life
- Non-toxic, environmentally friendly
- Protects heating and chilled water

\$ 252.00

HVAC Protector F1 (10L)

Central Heating Protector for mixed metal commercial & HVAC heating & cooling systems

\$ 430.00

HVAC Cleaner F3 (10L)

Cleaner for commercial heating & cooling systems (Replaces IC-20)

\$ 430.00

TF-1 Total Filter Hydrocyclonic and Magnetic in-line (includes 1" fittings)

PF-MK3 Powerflow Flushing Machine MKIII

PF-HA Powerflow Pump Head Adapter

CK-1 "Boiler Commissioning Kit" (Contains: F1, F3, pH strips & 60 sec test strips, leaflet in 3 languages.)

DS-3 Limescale Remover

DS-40 System Scale Remover w/neutraliser pack (1.9kg)

AF-10 Bacteria Killer Central Heating System Biocide

P-TK Protector Test Kit

W-TK Water Test Kit Complete 6 different function onsite tests

TDS Meter Total dissolved solids meter - digital readout

REF Refractometer to test Glycol Concentration
